The most famous façade in Hobart is the face of the Cascade Brewery. Nestled in the rolling hills of South Hobart, Cascade is the oldest brewery in Australia. Its historic buildings are set against the majestic backdrop of Mount Wellington and offer brewery tours, three acres of fine landscaped gardens, a café and museum.

The Cascade Visitor Centre offers a wide range of menu options from informal through to fine dining, using seasonal, fresh Tasmanian products tailored to suit your budget. Indulge in Cascade's beer and non-alcoholic range, with interstate and Tasmanian wines completing the selection. Catering is available for BBQ's, breakfast, lunch, dinner, morning and afternoon teas.
