Located in the heart of the Barossa Valley is the Penfolds Barossa Valley Winery and Cellar Door. The original winemaker buildings dating back to 1911 still stand today and house the Penfolds tasting bar and private rooms.

With the largest premium red wine barrel hall in the Southern Hemisphere available for gala dinners, a charming homestead for private use and access to the winemaker's labs for exclusive wine blending experiences, Penfolds Barossa Valley is a unique venue, perfect for incentives, corporate teambuilding and special events.
