The Wolf Blass Visitor Centre is a state-of-the-art facility and a Barossa landmark that stands as a monument to Australian winemaking. The Centre offers five private rooms, suitable for meetings, special events and conferences, from intimate dinners to a grand banquet, or a full day business meeting.

Experience a personalised wine tasting or dinner in one of the private rooms, behind-the-scenes tours of the production facilities or a themed dinner in the spectacular Barrel Hall. Whilst the site and capacity is large, the service remains personal with wine educators and experts eager to host your Wolf Blass experience.
