

CARLTON BREWHOUSE GOLD COAST

You may have tried and tested VB, Foster's Lager, Carlton Draught or Pure Blond but did you know that all of these brands and many more are made right here at the Carlton Brewhouse? Conveniently located mid-way between Brisbane and Gold Coast, the Carlton Brewhouse Visitors Centre should be on any south east Queensland itinerary.

Now the equal largest brewery in Australasia, visitors not only enjoy tasting the beer but love the fun and interactive way that they can learn from the experts about the brewing process during the daily tour. If you are looking for a way to get to our brewhouse why not join the Beer Bus and Brewery Tour which includes transport.
